

## Be My Baby *by The Ronettes*

|F | |Gm |C<sup>7</sup> |  
 The night we met I knew I... needed you so  
 |F | |Gm |C<sup>7</sup> |  
 And if I had the chance I'd... never let you go  
 |A<sup>7</sup> | |D<sup>7</sup> | |  
 So won't you say you love me... I'll make you so proud of me  
 |G<sup>7</sup> | |C<sup>7</sup> | |  
 We'll make 'em turn their heads, every place we go

**[chorus]** |F | |Dm | | |  
 So won't you, please Be my little baby  
 (*Be my, be my baby*) (*my one and only baby*)  
 |Bb | |C | | |  
 Say you'll be my darlin' Be my baby now... Whoa-oh-oh-oh  
 (*Be my, be my baby*)

|F | |Gm |C<sup>7</sup> |  
 I'll make you happy, baby... just wait and see  
 |F | |Gm |C<sup>7</sup> |  
 For every kiss you give me... I'll give you three  
 |A<sup>7</sup> | |D<sup>7</sup> | |  
 Oh, since the day I saw you... I have been waiting for you  
 |G<sup>7</sup> | |C<sup>7</sup> | |  
 You know I will adore you, 'til eternity

**[chorus] x2** So won't you...

*Note: original key E major*
